

## LICENSING REWARD PROGRAM 2021

Congratulations!

You have met the criteria for our Licensing Reward Program. Your license/registration is at no cost.

For the sixth consecutive year, the Department is extending the Department's Licensing Reward Program for contractors (excluding fire licensed contractors) that have been licensed with the Department for at least 3 years, remain in good standing, and have no "administratively closed" status permits at the time of renewal of their license/registration.

If you have any questions, contact the Licensing Department at 719-327-2887.

Sincerely,

Contractor Licensing
