Qualifications:

Must possess and maintain a valid Colorado Driver's License. Must obtain ICC B1 Residential within 6 (six) months of hire and B2 Commercial Building Inspector Certification within 12 (twelve) months of hire. Must be computer literate in order to retrieve, update and keep accurate details concerning construction projects, building and occupancy permits and inspection results. Must have considerable knowledge of the principles, practices, materials and tools of the building construction trade. Must have some knowledge of applicable ordinances and codes. Must be able to use laptop computer to enter and update information as well as look up code and standards related to building inspections. Must possess the ability to read plans, blueprints, engineering reports and specifications, and to interpret and work from them. Must be able to answer phones, write reports and deal with the public. Must have knowledge of human relations. Must be able to communicate effectively, both verbally and in writing.

Education and Experience:

Must have a minimum of High School diploma or equivalent and five years of experience in the building construction trades or equivalent combination of education and experience. Prefer progressively responsible experience in code enforcement. Prefer experience in the inspection of building systems. Must have experience in dealing with the public and maintain temperament during difficult situations.

Physical Demands and Work Environment:

While performing the duties of this job, the employee is regularly required to talk or hear. The employee frequently is required to stand; walk; use hands to handle, or feel; reach with hands and arms; climb or balance; and stoop, kneel, crouch, or crawl. The employee is occasionally required to sit or smell. Must be able to drive. The employee must frequently lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus. Considerable time is spent in the field inspecting construction work sites, although some time is spent in the office. Inspection sites can be dirty, cluttered with tools, materials or debris. Inspectors may have to climb ladders or many flights of stairs, or crawl around in tight spaces. Inspectors must adhere to safety requirements at constructions sites such as wearing hard hats.

This job description is not intended to be inclusive of all functions, responsibilities and qualifications associated with the position, however, representative of the essential job functions and typical criteria considered necessary to successfully perform the position.

Equal Employment Opportunity/Affirmative Action Statement:

The Department is an Equal Employment Opportunity/Affirmative Action employer. The Department will not tolerate unlawful discrimination against any employee or applicant because of race, color, creed, national origin, ancestry, sex, age, religion, disability, sexual orientation, genetic information, marital status, or retaliation for engaging in protected activity.

Americans with Disabilities Act Compliance:

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the Department will not discriminate against individuals with disabilities on the basis of disability in its services, programs, or activities. The ADA requires the Department to provide reasonable accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

NOTE: A Board of Commissioners independently governs the Pikes Peak Regional Building Department.
